

1. What is your name?
2. Examine each of the following propositions to determine whether or not it is true; indicate your determination by circling either “T” or “F”:

A. $|\{ \text{normal probability density functions} \}| \in \mathbb{N}$

T ☒ F

B. $|\{ \text{normal probability density functions} \}| = \aleph_0$

T ☒ F

C. $|\{ \text{normal probability density functions} \}| = \mathcal{C}$

☒ T F

4. Smile.
